RIGHT,
NOT
WHAT IS
EASY

260 Kennedy Park Circle *Est. 2013*

Spring 2018

Our Impact

We produce on average 12,000#/annually

We serve Battle Lake & Fergus Falls Food Shelves, and The Salvation Army

Nearly 600 households a year receive access to our produce

“The families who receive the fresh fruits and vegetables absolutely love and appreciate it. We always get great feedback from those you receive the produce”,
Sharon Vipond

Challenges

Weather & animals (deer, ground hog, rabbits)

Having enough volunteers (solution create strong volunteer base/all ages/abilities)

Rotary Club

Steve Leitte

Recommendations

Partner with an anchoring institution annual budget

Start small grow only as you have capacity

Grow your volunteer base each year

Share your story

A New Vision

30' x 72' greenhouse

1/3 to seedling production

2/3 to immediate hydroponic production

Increase capacity of the garden by 40% or 5000#

Grow more to serve more
